Everett Transit

Bus Schedule & Service Guide

Message from the Director

Dear ET Customers:

Welcome to the Everett Transit Schedule and Service Guide. We created the new look and "feel" of this ET Schedule and Service Guide based upon comments we received from many customers. Our route maps are larger and now clearly show connecting routes. The new system map is brighter, easier to read and the route numbers are clearly marked. We have also added a new Everett Station bus bay map as well as a new downtown routing map to assist you with locating the best stop for your needs.

The maps are not the only change in the new schedule. We have revised route 4, now providing service to the downtown area and the waterfront six days a week. Route 11 now serves Top Foods near the Everett Mall on select trips and route 23 has been modified to serve Everett Station from the Mukilteo Ferry Terminal, eliminating the W. Marine View Drive loop to the Everett Community College. **Also, please be sure to review your route because times may have changed.** If you have any questions or feedback about our new guide or about any of our services, please contact our customer comment line at 425-257-8940 and let us know how we can help to better serve you.

Additionally, the recently adopted Washington State smoking ban went into effect Dec. 8, 2005. The ban was enacted by passage of Initiative 901 in 2005. Though it is unclear whether this law applies to smoking at bus shelters and bus entrances, we ask that you please be courteous to fellow transit customers and bus operators and refrain from smoking in bus shelters or around the entrance of buses. Your assistance is greatly appreciated.

Everett Transit is pleased to have you on board. Sit back, relax and enjoy the ride. For trip planning or customer service please contact the ET customer service center at 425-257-7777.

Yours truly,

Paul J. Kaftanski

Anna Danas

Not long ago, we received request asking that Anna Danas be recognized for use of Everett's transit system. With pleasure, we include her story in our schedule.

ANNA'S STORY:

At the turn of the Century, Anna's family immigrated to America and built a home on Smelter Street, which we now know as E. Marine View Drive.

Anna was born in 1925, the youngest of six children. Two sisters had died while young, and the family would walk the miles from their home in northeast Everett to Evergreen Cemetery to place flowers on their graves. Anna disliked those walks and would see every bus that passed, but the nickel fare was too much for the family budget. However, sometimes a bus would approach, and the driver would stop and offer the family a ride home.

Anna used the city's bus system through adulthood, while raising a son, working in downtown Everett and as a grandmother often taking her grandchildren and their friends on errands and visits throughout the city.

For Anna, the bus system offered more than transportation. A very social person, it enabled her to keep up on events and meet people, some of whom became lifelong friends. And of special meaning to us at Everett Transit is that she fondly recalls the drivers who stopped for her family on those long walks.

Thank you, Anna, for sharing your memories. We are proud to know we have served you well.

What is Para Transit?

Para Transit is a public, pre-scheduled service that provides curb-to-curb or door-to-door service upon request. Para Transit is available for people who are unable to use an Everett Transit fixed-route bus due to a condition or disability.

To qualify for service, you must meet one of the conditions established by the Americans with Disabilities Act (ADA)*, or be at least 62 years old and have no other means of transportation. The application process can take up to 21 days.

You are eligibie for all or some of your trips on Para Transit if you meet one of the following conditions:

1. You are unable to get on, ride or get off an accessible transit bus by yourself;
2. You are unable to get on or off a transit bus without assistance;
3. You are unable to find your way around the transit system by yourself due to a physical or cognitive functional disability.

Everett Para Transit operates the same days and hours as Everett Transit fixed-route buses.

Call 425-257-8801 and press 2 for information or to request an application. For TDD/TTY call 425-257-7778.

**Section 504 Compliance Handbook and ADA define "disability" as (1) a physical or mental impairment that substantially limits one or more of the major life activities; (2) a record of such an impairment; or (3) being regarded as having such an impairment. To fit within the first part of this definition, an individual mush have (1) a physical or mental impairment; (2) that substantially limits; (3) one or more major life activities.*

The guidance observes that the definition of "disability" under the ADA and Section 504 might differ from the definition of disability under other laws, such as the Vietnam Era Veterans Readjustment Assistance Act.

$3 PugetPass holders may use Amtrack Cascades train routes between Everett, Edmonds and Seattle. For schedule and fare information, call Amtrak Cascades at 1-800-872-7245, or visit www.amtrakcascades.com.

Riding the bus is easy! Here are some tips to help you with your trip.

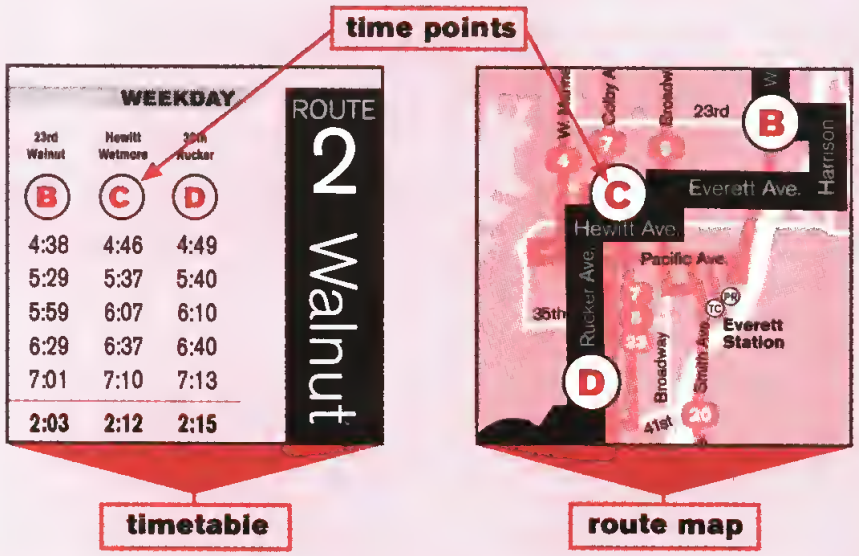

First look at the system-wide map *(back fold-out)* to see which bus route will take you to your destination.

When you find the correct route (there may be more than one), turn to the page that shows the route map and timetable. Routes travel in both directions.

The **timetable** shows the route number, and is read from left to right to show starting and ending points and times the bus is scheduled to be at those locations.

The **route map** shows the location and travel path of the bus route.

Time points are listed on the timetable for the purpose of estimating what time the bus will be at your stop. You may board an ET bus at any stop along its route. The route map will show time points also.

New to ET? Here is some information to assist with your trip.

- Locate the bus stop nearest you. Arrive at your stop a few minutes early. When you see your bus coming, signal to let the driver know you wish the bus to stop.
- Have the exact fare ready to deposit in the fare box (the driver does not carry change). If you will need to change buses to reach your destination, ask the bus driver for a transfer when you pay your fare, and use it as fare on your second bus.
- For your safety please be seated promptly.
- Pull the signal cord about a block before your stop to let the driver know you want to get off the bus. If you are unfamiliar with the area of your destination, please ask the driver to assist you.

Need additional help? Contact 425-257-7777, or stop by the Customer Service Center at Everett Station, 3201 Smith Ave.
